**Registering for Pre-K is as easy as
1...2...3...**

- 1.** Parents will be able to pick up a registration packet at Parents Information Night on the 6th, or in the Elementary School Main Office until March 21st. Pre-K registration times will be scheduled for March 21st-23rd, 9:00 a.m. - 2:00 p.m.
- 2.** On the Pre-K application, parents can indicate a preference for half-day AM Pre-K, half-day PM Pre-K, or full day Pre-K. The district will strive to match students to parent's preference, space permitting.
- 3.** The full day Pre-K program is contingent on the District's budget passing in May. After the budget vote, a lottery will be held and parents will be notified which program their child has been accepted into.
