**EMERGENCY CONTACT FORM**  
**2020-2021**

School closings, delayed openings and early dismissals resulting from weather conditions or other emergent situations are posted on the BKW homepage of the school website and sent out via the Blackboard communication system.

To ensure parents and guardians receive districtwide notifications in the event of an emergency, mobile phones and email addresses must be updated regularly in our student management system. All district notifications will be sent to the phone numbers and emails listed in the student's profile page in Eschool Data.

Please assist us in maintaining accurate contact information for your child by updating this form and returning it to the main office by Friday, December, 4, 2020.

Thank you
