Veterans Day	Nov. 11
Thanksgiving Break	Nov. 25 - 26
Holiday Break	Dec. 24 - 31
Martin Luther King, Jr. Day	Jan. 17
Winter Break	Feb. 21 - 25
Good Friday	April 15
Spring Break	April 18 - 22
Staff Development Day	May 17
Memorial Day	May 30
Juneteenth (observed)	June 20

CENTRAL SCHOOL DISTRICT

A message from Dr. Mundell

A new school year brings new opportunities for students, staff and our entire school community. At BKW, we are moving forward with our important work of educating our students and providing them with a safe, positive and rewarding environment where they can grow socially, emotionally and academically and reach their highest potential.

We are looking forward to welcoming back all of our students to campus for full-time, in-person learning. Despite today’s uncertainties and challenges, our students deserve our continued support and commitment to their success.

As superintendent, I remain focused upon ensuring that BKW students have the same opportunities to excel as their peers across the region and state, regardless of learning ability, economics, gender, background or zip code. We continue our work to level the playing field so all students can achieve this kind of equity within our system and compared to other school districts.

This school year, we are expanding programs centered around college and career readiness for students in grades 5-12, technology education for students in grades 5-8 and extended learning and enrichment programs, some of which we launched this summer.

We are proud of our growing agriSTEAM program, academic offerings, comprehensive student support services, and extracurricular activities that appeal to students of diverse interests, from athletics and the arts, to FFA and esports, to community service activities and partnerships.

Even though we continue with some uncertainty, it is in our power to place our focus on all of the great things we have to offer our kids. Please join us in that effort. The 2021-22 school year should be one of promise and positivity for our students. “They are because we are.”

2021-22 BOARD OF EDUCATION

The public is invited to all Board of Education meetings, and to speak regarding issues during the time set aside for public comment. Regular Board meetings typically begin at 7 p.m. in the Elementary School cafeteria. Please check the district website for schedule changes.

CENTRAL SCHOOL DISTRICT

Important Notices

State and federal laws require schools to post a variety of notices for parents/guardians and residents. These are some of those notices. The full list can be found on the district website.

Release of information to military recruiters

NCLB requires that school districts disclose to military recruiters and institutions of higher learning, upon request, the names, addresses and telephone numbers of our high school students.

However, parents or students may request, in writing, that the district NOT release such information. Parents, or students who are at least 18 years old, may exercise the option to withhold their consent to release this information by contacting the high school principal's office.

Access to student records

Under the Family Educational Rights and Privacy Act (FERPA), parents and students over 18 years of age have the right to inspect and review the student's records or request an amendment of records believed to be incorrect. They can also withhold consent on disclosure of personally identifiable information, except in cases where the law allows for disclosure without consent.

Student Directory information

The district releases certain types of student information (name, address, phone number, photo, etc.). Under FERPA, parents may request in writing to not release that information.

Student Privacy

The district's privacy policy offers parents the opportunity to excuse their child from any survey that reveals information on personal behavior or political beliefs. Parents are also notified and offered the chance to exclude their child from activities that gather personal information about students which can be used for marketing purposes.

Special needs

Children with special needs may be entitled to additional services from the school district in which they reside. If your child has special needs and is not known to the school administration, please call the Superintendent's Office.

New York State Education Law also requires that each public school district account for the education of all resident minors. Please help BKW comply with this requirement. If your child is home-schooled or attends a private or parochial school and has not previously been registered with the Superintendent's Office, please call 518-872-1293.

Asbestos Management Plan

In accordance with federal law, the Berne-Knox-Westerlo Central School District has in place a management plan to identify and manage asbestos building materials.

The Asbestos Management Plan is on file and available for review in the District Office during regular business hours.

Pesticide notification

It is mandatory for school districts to inform parents or guardians and staff members of potential pesticide use during the school year.

To be placed on a list to receive 48-hour notification prior to the application of pesticides, please call the District Office.

Student Health Data

Because New York State is interested in child health data, schools are required to record students' height, weight and Body Mass Index (BMI). If our district is surveyed by the state, we will only share group data (for instance, the number of second grade boys whose BMI is below the fifth percentile), not individual data. However, if parents wish their child's data to be excluded from such group calculations, they may do so by contacting their school nurse.

APPR Ratings

All parents/guardians have the right to obtain the APPR quality ratings and composite effectiveness scores for their child's current teacher(s) and principal(s) once they are available. For additional details, please visit the district website or contact your child's school.

Attendance Policy

Please contact the main office of your child's school to leave a message when your child must be absent from school due to an illness or other appropriate reason.

Elementary School: 518-872-2030

Secondary School: 518-872-1482

To follow up, please send a written excuse with your child upon his/her return to school.

If your child will be absent for several consecutive days, we recommend that parents make arrangements with teachers to pick up missed assignments.

Good attendance has been linked to higher academic achievement. Please help maintain BKW's high attendance rate by encouraging your child to attend school every day.

Calendar Accuracy

Calendar dates may change after printing. Please visit the district website for updates to meeting dates and for times and locations.

Publicity

Students' names, grade levels and photos may be published on the BKW website, in school publications, or released to the media to recognize student achievement or activities of the BKW School District. Parents who object to the use of their child's information or image should notify BOTH the superintendent of schools and their child's building principal – in writing – on or before **September 8**.

PLEASE NOTE: The district is not responsible for media that cover news happenings, sporting events or school events.

Emergency Early Release drill

On Nov. 24, the school district conducts its annual "Emergency Early Release" drill, which tests emergency communications and procedures.

Registering to vote in BKW

Any U.S. citizen who is 18 years of age or older and a resident of the Berne-Knox-Westerlo Central School District for at least 30 days prior to the date of the vote is eligible to cast a ballot in the budget vote. But first you must be registered. Those who are registered for the general elections are automatically registered for school votes.

For any questions on how to register to vote, contact District Clerk Anne Farnam at 518-872-1293.

School Closings

In case of inclement weather or other emergencies, school closings and delays are posted to the district website, Facebook, Twitter, and local media.

A notification will be also sent directly to parents, staff, and community members through our ParentSquare messaging system.

How do I sign up for ParentSquare?

If you're a parent or guardian, first make sure your contact info in the eSchoolData Parent Portal is up to date. Information will be posted on the district website, www.bkwschools.org and shared with BKW families about ParentSquare and how to sign up.

Activities when school is closed for the day

When school is closed during the day, all afternoon and evening functions are cancelled unless otherwise scheduled by the Superintendent.

BERNE-KNOX-WESTERLO

District required to hold 12 safety drills per year

All New York school districts are required to conduct 12 safety drills every school year. Four of those drills must be lockdown drills. The remaining eight drills are evacuation drills – widely referred to as fire drills.

During a lockdown drill, students and staff practice clearing hallways, locking doors and taking positions out of sight as quickly as possible.

Evacuation drills ensure students and staff quickly and calmly exit a building in the event of an emergency.

Emergency Management Plan

BKW Central School District has an Emergency Management Plan as required by the Commissioner's Regulation.

A copy of this plan is available for public inspection in the Superintendent's Office.

Bus safety

Please remember that New York State law requires drivers to stop for school buses when their red lights are flashing.

Always approach school buses with caution. There is precious cargo on board:

Summer Reading

Summer is the perfect time for children to engage in leisure reading. BKW students should continue their education on their own by reading as many books as possible during the summer.

Students in grades 6-12 are required to read at least two assigned books, but they should try to read more for enjoyment.

Summer Reading lists

Our assigned reading lists are available at www.bkwschools.org or in our main offices.
