Dear Kindergarten Families/Guardians,

Thank you for all of your hard work and dedication to your child's academic success during this past school year. Attached is a Summer Activity BINGO board for your child to work on over the summer months. These activities will support the continuation of readiness skills for 1st grade.

<u>Please note:</u> Participation is optional. However, if your child does complete 20 out of 25 activities on the BINGO board, please return it to your child's 1st grade teacher by Friday, September 16th so they can be a part of a celebration to be announced after all packets have been collected.

Please color in the square on the BINGO board as you finish each activity and complete the activity sheet that goes along with the activity as noted.

Thank you and please have a safe, healthy and fun summer break. We look forward to seeing your children again in school.
