

June 2022

Dear Parents & Guardians,

Happy Summer! On the back of this sheet, you will find your child's summer work. Below are the guidelines :)

- There are two required boxes for Math and ELA; this work must be turned in as evidence of completion
- Select 3 other squares to complete
- Provide evidence of completion to your 7th-grade teacher
- Evidence can be in the form of a photograph, brochure, or written summary.
- The bingo board and evidence are due back on Friday, September 16th.
- Students can still access Reflex and Prodigy if they want to practice math concepts and math facts.

Sincerely,

The 6th Grade Team
