

BERNE-KNOX-WESTERLO
CENTRAL SCHOOL DISTRICT

1. Program

- Review block scheduling success concerning student engagement and performance.
- Create a future-focused, staff needs-based professional development program for all district professionals.
 - Elevate building leaders to an instructional leadership role
 - Encourage staff participation as instructional leaders within their role.
 - Celebrate excellence in teaching among our staff members

2. Technology

- Phase in new devices and technology procured through Smart Schools funding
- Develop a five year technology replacement plan
- Align technology use to Next Generation standards and NY Inspires Portrait of a Graduate

3. Fiscal Responsibility

- Continue to develop systems to streamline communication among departments
- Develop new revenue streams for the district
- Identify and implement cost-saving programs
- Continue to improve systems for fiscal oversight

4. Stakeholder/Community Engagement

- Engage administrators and community members in the new website design
- Utilize the website to streamline communication with families in their preferred method.
- Utilize Parent Square and Busrite to streamline communication with families.

5. Wellness

- Focus on building and district culture- create a culture of continuous learning and professional growth.
- Develop leadership from one's role within the organization
- Foster the growth of the next generation of leaders
- Support the growth of all members of the learning community
